

Jessica

Jessica is 11 years old. Here's what she would like you to know about her:

Some of my favorite things:

Coloring, drawing, reading, art activities, taking day trips and learning about animals. I love horses. I enjoy dancing and going sledding.

Some of my least favorite things:

I do not like when the environment is loud and chaotic. I do not like it when adults lose patience with me. I really do not like venison!

Activities I enjoy:

I enjoy coloring, talking with adults, working on art projects, bike riding and shopping.

What I want you to know about me:

I understand that families aren't perfect and that I won't get everything I want in a family. I would like a mom and a dad. I am hoping to have cousins. I am willing to live in the country or the city. I love animals and would like a pet. I have siblings who are important to me and I would like to be able to have contact with them if I am able too.

I want you to know that I do not know how to swim but that I would like to learn how. I would like a family who can spend a lot of time with me.

What we want families to know about Jessica:

Jessica is an 11 year old girl who appears younger in stature and development. She will need patience, advocacy and support for her development. She will need a family who will accept her for who she is and where she is at. Jessica will need a parent or parents who will have patience and will take the time to allow Jessica to feel confident in her everyday life. We are seeking a family with no other children.

If you think that you may be the family for Jessica please contact Amy Prentiss-Rogers, Permanency Planning Counselor at (802)447-6491 or at amyp@lundvt.org.
